

Note From Kelly Gruber to me in 1995

Dear Mike -

Feb. 1, 95

I'm really impressed with how quickly and efficiently your evaluation and selling of our condominium in Etobicoke this year. It's always a pleasure doing business with professionals like yourself. I still have some communication with Trevor Eaton and I am looking forward to passing this on to him. Thank you and all the best in this life to you and your family.

God bless,

Kelly Gruber
